RE: NEA sponsored trip to Milwaukee to learn about Community Schools

Dear Ms. Hill,

The National Education Association (NEA) is excited to invite you to Milwaukee, Wisconsin on May 19th & 20th 2019 to learn about the Community School strategy. The Community School strategy is a powerful school improvement tool that has been validated by hundreds of research studies. The Department of Education currently funds the Community School strategy in various ways, but most directly through the Full Service Community School (FSCS) program.

All participants will fly in on May 19th from National Airport (DCA) and the tour will begin on the morning of the 20th. It will include a tour of a Community School, panel presentations by those who are implementing the Community School strategy in Milwaukee, and various opportunities to engage with implementers and stakeholders that have been positively impacted by the strategy. After the tour on the 20th, participants will be shuttled back to the airport where they will fly back to Washington DC.

We hope you will join us. You will be one of 20 to 30 select Senate and House staff on the tour. To RSVP, reply all to this email and we will confirm your attendance and provide you with next steps regarding flights, hotel, and the shuttles. Also, if you plan on attending, you must submit the attached documents to your Ethics Committee immediately.

If you have any questions, don't hesitate to ask.

Best,

NEA

Andrea Prejean, Director of Teacher Quality, National Education Association.
